About the Long Island 2 Day Breast Cancer Walk

The LI2Day Walk was founded in 2004 responding to the critical need for funding of community-based organizations that provide assistance to Long Islanders with breast cancer. 100% of the funds raised from the 35-mile, two day walk goes to local organizations, research and the LI2Day Scholarship Fund. In just four years, LI2DAY has raised more than \$1.4 MILLION to assist with medical expenses, transportation, prosthetics and wigs, physical therapy, childcare, research and education.
